Openhouse is proud to host a "Groundwater" Training from the Racial Equity Institute

March 21, 1 - 4:30PM
Bob Ross LGBT Senior Center
at 65 Laguna St
RSVP Required

Openhouse is thrilled to host the Racial Equity Institute (REI) for one of their first Bay Area trainings! REI has been working closely with Openhouse staff and board for the past year and we are excited to share their model with the broader Openhouse community. In this lively and participatory presentation, REI organizers will use stories and data to present a perspective that racism is fundamentally structural in nature. By examining characteristics of modern-day racial inequity, the presentation introduces participants to an analysis that most find immediately helpful and relevant to their daily lives.

To RSVP, contact Ariel Mellinger at (415) 503-4180 or ariel@openhouse-sf.org

4th Friday Health and Wellness: LGBTQ Veterans: Services, Benefits, and More

Friday, March 27, 3-4:30PM, enter at BR 65 Laguna St
No RSVP required

Join us for a free seminar where Bob Alexander, of Swords to Plowshares, will discuss the challenges faced by LGBTQ former servicemembers as a result of their military service, including how many have been conditioned to think that they are not veterans, when indeed they are. Bob will discuss how LGBTQ veterans are over-represented in all the risk categories experienced by veterans generally but are under-represented in the VA system receiving services and benefits. Bob will explain how LGBTQ veterans with discharges that are less than fully honorable may be entitled to VA services and benefits, or discharge upgrades. Bob will answer questions from community members and arrange for those who are interested to receive evaluations of their cases.

Bob Alexander is an attorney and Equal Justice Works Fellow with Swords to Plowshares. He is an LGBTQ community member and a retired Lieutenant Colonel with over 22 years of active duty service in the United States Air Force.
